

WHAT'S BLOWING IN THE WIND?

Soil & Energy

Conservation Day for Women Landowners & Operators
September 7, 2005 10:00 a.m. to 2:30 p.m.
Wind Energy Center Hendricks, MN

Travel to where the intriguing wind turbines dot the landscape for a day of fun and fellowship. Learn about the soil under our feet and the importance of protecting it and the energy source that harnesses the prevalent Southwestern Minnesota winds.

Topics & Activities Involve Your Senses and Include:

- **Taking an In-Depth Look at Soils with a Soil Probe**
- **Getting a Feel for Different Soil Types through Texturing**
- **A Tasty Treat that Shows How Minnesota Soils Formed**
 - **Wind as an Alternative Energy Source**

\$10.00 Registration ~ includes morning coffee, juice, rolls & noon lunch.
Space is limited so please register early!

Sponsored by Soil & Water Conservation Districts in Cottonwood, Lincoln, Lyon, Murray, Pipestone, Redwood, & Yellow Medicine counties, and Natural Resources Conservation Service.

To register, please fill out and return this portion along with your \$10 registration fee, to your local county soil and water conservation district, listed below:
